

Sound Energy Worksheets

Explore Sound Energy

This worksheet pack is designed to help children learn about sound energy through fun and interactive activities, including coloring pages, labeling diagrams, and matching exercises.

Sound Energy Worksheets

Match the Sound Source

Draw a line between the object and the sound it makes:

- Bell -> Ring
- Drum -> Boom
- Dog -> Bark
- Violin -> Music

Sound Energy Worksheets

Label the Sound Wave

Label the parts of the sound wave below: Amplitude, Wavelength, Crest, Trough.

[Drawing space for kids to draw or label]

Sound Energy Worksheets
